Dear Parents/Carers

We have once again been overwhelmed by the generosity of parents in supporting our recent sponsored read. We have made in the region of £2300.00 (exact amount will be in the next newsletter).

As has become a tradition at Bonnyrigg Primary School parent consultation evenings, we will have a Book Fair open on both dates for children to buy books. Children look forward to the Book Fair being in school and lots of them get to choose a book after they have had a great report.

However, please do not feel pressured into buying a book if you feel you have all ready contributed by taking part in our sponsored read.

All the money collected from both of these fundraising activities will be used to supplement the books in our school library. Staff and pupils have been working hard to upgrade the library, decorating it with attractive art work, buying new furnishings, sorting through the books and finally purchasing new books.

All classes will have a weekly slot in the library and children will be encouraged to borrow books which they can then bring home to read.

Kind regards

Yours sincerely

Jennifer Allison
