26<sup>th</sup> April 2017

Dear Parents/Carers

We have become aware of social media (Snapchat) being used inappropriately by a small number of children within P4/5. Although we recognise that social media is part of many young people's lives today and the majority use it in an appropriate and responsible manner, we must also acknowledge the potential harm it can cause. We ask all guardians to be vigilant and talk to their children about the use of social media and its possible implications if not used responsibly.

Within school, in addition to the normal education programs aimed at keeping young people safe online, we have invited PC Iain Anderson to come in to deliver a talk to P4/5 classes on Cyber Bullying on Thursday 11<sup>th</sup> May.

Kind Regards

Jennifer Allison  
Head Teacher
