16th January 2017

Dear Parent/Carer,

With the winter weather upon us, we would like to remind you that all children must have a change of indoor shoes.

Already, mud has been brought into classrooms this week, and we would really like to keep our carpets as clean as possible for our children.

If your child does not have a change of indoor shoes, they will not be allowed outside on to grassy or damp areas during the school day.

Thank you for your cooperation.

Yours sincerely

Sarah Stark
Depute Head Teacher
