Dear Parents/Carers

At the beginning of this session I mentioned to you that I would like to create a 'Moving to P1' book for parents/carers and that I would appreciate some input from current P1 parents carers as you are the people who will know best what it would be useful to know.

At the time one or two people indicated that they would be interested in helping out with this. As time has gone on I appreciate that people's circumstances may have changed so I thought it easier just to approach you all again.

I have set aside the morning of Friday 17th March to begin this process and would be delighted to see anybody who is willing/able to help out from 9-10.30am (or for as long as you can manage). If you are able to come along, please complete the tear off slip below.

If you are unable to attend the meeting but have something you would like to suggest is included in the book then please feel free to email me at bonnyrigg_ps@midlothian.gov.uk with your suggestions.

Kind regards
