Dear Parents/Carers

## Primary 7- Mystery Guests (May/June 2017)

We are hoping parents, family members and friends of the family/school will become our mystery guests.

Last year we had surprise visits from two dads. One talked about his job as a Diabetic Doctor at the Sick Kids and the other, his job as a Police Officer. Both of these visits were hugely enjoyable and inspiring.

Here are a few suggestions of things you might like to share with us:

- Reading a short story of your choice and in a language of your choice.
- Sharing information about your job
- Sharing a skill (musical instrument, singing, art and many more)
- Sharing a memorable part of your life
- Sharing your culture

We would love to have you from the beginning of May until the end of June. The time slot will depend on your availability and can be as little as 20 minutes of your time.

We are excited and look forward to parents, family and friends sharing with the rest of the class.

If you can volunteer, please fill in the slip below. If possible, return your slip in a sealed envelope so that your visit is a surprise.

Yours sincerely  
Primary Seven
